
Updater will not download

Posted by marianne - 2019/01/31 03:43

i get error message
download failed
http://www.bockbierbude.de/autosync/_boot/rf2sync_client.zip

retry?

can anybody help :(

Aw: Updater will not download

Posted by MichaW - 2019/01/31 08:43

Hiho,

yes, we are the altbierbude, not the bockbierbude...so please reinstall the updater and select only the pythons and "altbierbude", everything else must be unchecked

best regards

Glück auf!
