
Vehicle control after the race is over

Geschrieben von ttanium - 24.10.2020 21:23

After the race is over, my car continues on its own to the pit

I see your vehicles can stop

How to set this

=====

Aw: Vehicle control after the race is over

Geschrieben von CasparGTL - 24.10.2020 21:36

Some setting with 'AI control' in your player .PLR file.

Go to ABB Autoupdate then Tweaks-->Profile Settings-->Driving Aids--> Check "No AI control"

=====

Aw: Re:Vehicle control after the race is over
