Hello,
when I run LowGuard it displays this message to me;
17:56:32 Cannot connect to server 141.94.37.155:810
17:57:32 Cannot connect to server 141.94.37.155:810
17:58:32 Cannot connect to server 141.94.37.155:810

Every minute the message appears.
An idea or a solution?

solution, go to settings: game.altbierbude.de sometimes lowguard.altbierbude.de also works port 810

Glück auf!

thx Micha,
i had the same problem: lowguard.altbierbude.de -> can't connect to server

changed to game.altbierbude.de -> now it works

thanks :)

Hey hallo,
der Lowguard can nicht connecten
Kann es sein, dass der Server down ist?
Habe nichts verÄndert. Adresse game.altbierbude.de /Port 810

LG Tobi
