
Sloppy Night for Snails

Because frequently I get asked about a second event for rookies IÂ'd like to invite you to GeeDees Sloppy Fun Night. Sloppy Fun is to take place every Wednesday Night and offers you the same kind of fun as Captain Slow does. To tell the truth its been Gordons event that gave me the idea!

Just as at Captain Slow we will get faster as we have fun together. Driving in the pack, side by side doing neck & neck races is important not the position you are in. If someone slides off the track or they are a bit slower we wait for them to catch up so we can all drive and jostle just having fun together.

So if you have successfully joined a few Captain Slow events - why don't you just come and try Geedees Sloppy Fun Night? Sloppy Fun offers you fun and racing with friends every Wednesday night. If you are interested send a PM to GeeDee and you will get further information.

Cheers, Tom
