
Teamspeak - rookie guide

Geschrieben von jmayna - 18.10.2012 17:18

Hi all,

I notice that you use teamspeak on some events and servers. As I've never used teamspeak before can anyone explain to me how to get connected on teamspeak and how to access the teamspeak servers for the bude? :huh:

Thanks!

Mez

I believe that when you have TS installed you can just click on the TS3 links in the left column

Install tutorial

<http://www.teamspeak.com/?page=tutorials>
