
Uploading skins to Albierbude

Geschrieben von Boothen - 10.01.2013 16:52

I have made a few skins for the Ford Anglia (they're already on Nogrip) and thought that, as the mod was now on the Bude, I'd try and add them to increase the numbers / choice. Only problem is, I can't find how to do it? Can anyone help?

Thanks,
Boothen.

Hi Boothen,

Good to see you here m8.

If you mail them 2 or 3 skins at a time they should be recieved OK.

The Bude Admin allways check and test each skin before releasing and I'm still waiting for some that I sent in months ago so don't expect to see them soon. The Admin have had a lot of work with few hands to cope.
