WHAT WIKIPEDIA MENTIONS ABOUT LAGUNA SECA

=====

Mazda Raceway Laguna Seca (previously known as Laguna Seca Raceway) is a paved road racing track in central California used for both auto racing and motorcycle racing, originally constructed in 1957 near both Salinas and Monterey, California, USA.

The current racetrack is 2.238 miles (3.602 km) in length with a 180 feet (55 m) elevation change.

It has eleven turns, including the famous "Corkscrew" at Turns 8 and 8A. A variety of racing, exhibition and entertainment events are held at the raceway, ranging from superkarts to sports car racing to music festivals.

The name Laguna Seca is Spanish for "dry lagoon".

The area where the track is was originally a lake.

The course was built around the dry lake bed.

After the course was reconfigured, two artificial ponds were added.

Hi Uwe,

super Strecke.

Besonders gut hat mir die einsetzende Beleuchtung beim 320 Event gestern abend gefallen, hat eine sehr schöne Stimmung rübergebracht!

Gerne mehr Events auf dieser wunderschönen Strecke!
