_____

hi everybody
i make a little presentation ,my name is Louis and i live in belgium ,48 years old :unsure:
i race a few years ago with "gamerscrib" .
now i would be be start again, with you .
i would be connected on server to make some time training on line ,but i supposed there is a password to access ?
Wath kind of configaration (cars track)is better have to making races with you?
thx see you

Hello Louis and welcome at the Altbierbude.

Here --> http://wiki.bierbuden.de/GTLInstallation/en you can find an intruduction how to do an Altbierbuden GTL
Installation and drive with us.
Usually there is no PW to access our 8 servers, except for one or two servers on Thursday and Sunday, our Event-Days.

Best regards and

GlÃ¼ck auf!
