
SimHub Dashboard

Geschrieben von ****JB**** - 20.05.2023 20:53

Good morning.

Do some players use the SimHub Dashboards app ?

I can't pass on the fuel consumption per lap, and especially the number of laps remaining.
THANKS .

yes i do use it regularly
on GTL & GTR2 & RACE07

but i use my COMPANIAN plugin to get more data and run SIMHUB & CREWCHIEF in rFactor1 mod

you can find some info (in german) here
