There's amazing offer in HumbleBundle about 10 sim racing items. You can get them as cheap as around 12 Euro or more, if you want, because the money will be for charity.

Here's the link where you can find additional info: <https://www.humblebundle.com/games/ultimate-racing-sim-bundle>

Ist kein Fake, alles legal. Hab schon oft beim HumbleStore Bundles gekauft.

Hätte ich nicht schon alle Sims würde ich zuschlagen, ein super Angebot!

Yes, all genuine here. I bought everything for 12 Euro. As I already had Automobilista 1 and to + rF2 and ACC - I donated them for free to few of my viewers and now I own the Ultimate version of AC + 3 month sub for iRacing, because I am a new client. :)

BTW you can choose the amount you want and the percentage that goes for charity and for the developers. So watch carefully. I was about to miss the last part.
